

17 May 2021

Dear Parents/Guardians,

The Ministry of Education (MOE) announced last evening that all schools will shift to full Home-Based Learning (FHBL) from 19 May 2021 (Wednesday) till the end of the term on 28 May 2021 (Friday).

### **1. Schedule for NYJC from tomorrow (Tuesday, 18 May)**

To reduce the intermingling of the two cohorts, our JC2 students will begin their HBL tomorrow (Tuesday, 18 May) while the JC1 students, who are on HBL today, will report to college tomorrow.

All students will shift to FHBL from Wednesday, 19 May. Similar to academic lessons, CCAs may be conducted online from 19 May to the end of the term. Details will be provided to the respective students later.

Please ensure that your child stays at home and continues to observe good hygiene practices. If he/she feels unwell, please seek medical attention promptly and inform his/her Civics Tutor if he/she displays any fever or flu-like symptoms.

### **2. Support of Students for FHBL**

The college will remain open for students who require additional support. Students would need to register with the college should they wish to be in college for the period of FHBL. However, please note that the canteen will not be operating during the FHBL period.

School Days	0700h to 1900h
Non-School Days (include weekends, public holidays and school holidays)	0800h to 1700h

We have earlier asked students to submit their requests for digital devices and other support. The arrangement is for the JC2 students to collect their loaned devices today and the JC1s collect theirs tomorrow. If your child requires the same support but has not submitted the request last week, he/she may fill in the form at <http://go.gov.sg/ny-ictneeds> by 18 May, 0930h
